Potholes Not Only Rattle Your Car They Also Rattle Your Wallet.

This time of year, it seems like they're everywhere!

Hitting just one pothole can knock your car out of alignment.

This may result in damage to your suspension and WILL cause your tires to wear out prematurely — lowering your fuel economy and most importantly, affecting your Vehicle SAFETY!

Our Pothole Special Includes:

- Putting your car back into alignment
- Complete steering & suspension inspection
- Check and adjust tire pressures!
