

Filter special – buy 4 with installation and save \$25!

Did you know?

Your car has **FOUR** filters:

Oil, Air, Gas and Cabin

You should **change** all of them on schedule to help your car **perform better, last longer**, provide **more comfort** and get **better fuel efficiency**.

Ask about your filters at your next oil change for even more savings. During November, you'll receive a **\$25 discount** if you purchase 4 filters and have them installed.

Call **Southside Automotive at 906-249-9219** today for an appointment.
